BURR & FORMAN

Mediators & Arbitrators

At Burr & Forman, the experience of our attorneys as mediators and arbitrators is a valuable resource in representing clients in the Alternative Dispute Resolution (ADR) process and can save clients significant time and money.

Our attorneys are certified arbitrators who serve on the United States District Court Mediation Panel, as well as serve as mediators for the New York Stock Exchange (NYSE), the Financial Industry Regulatory Authority (FINRA), the American Arbitration Association (AAA), and the International Chamber of Commerce.

In addition to formal proceedings, we have also conducted mediations at every stage of litigation - before, during, and after trial, and on appeal. Disputes in which we pursue ADR involve professional malpractice, personal injury, commercial claims, construction disputes, and securities claims, among many other controversies.
