Burr & Forman is pleased to announce that Mobile-based Partner, Ricardo A. Woods, spoke at the Alabama Media Group's Gulf Coast Young Professionals Summit & Expo on May 6, 2016. Woods spoke on *Millennials Rising: Our City, Our Way*.

Don't miss this state of the city address from the Millennial perspective. We will go beyond looking at how things are today and ask our speakers how they will make Mobile different and better. This collection of leaders represents some of Mobile's most visible YP groups. Crowd participation will be encouraged in this lively discussion!
